THIS IS NOT A BINDER OF COVERAGE; it is a worksheet and serves as a business tool. This worksheet is only intended to solicit information necessary to underwrite insurance coverage. It is not intended to be nor should it be relied upon as a substitute for the agent's and the insured's own risk management assessment and evaluation and determination of coverage needs. The Redwoods Group and the insurance company make no warranties, express or implied, as respects the type of information sought in this worksheet or the adequacy or sufficiency of the amount or terms of the coverage sought. This worksheet does not alter the terms and conditions of the policy of coverage, if issued, which shall govern.
